

Saint Anthony College of Nursing – Data Report (2016-2017)

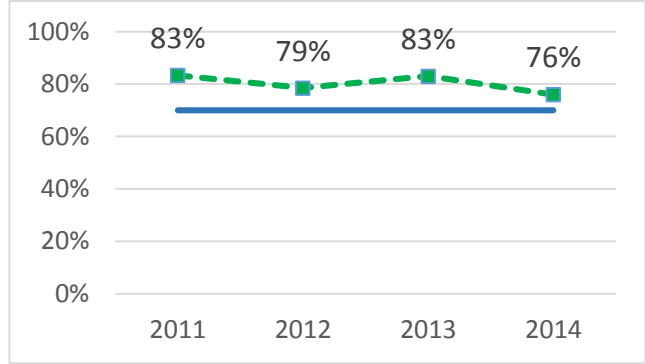

Program Retention & Completion Rates

BSN (all)

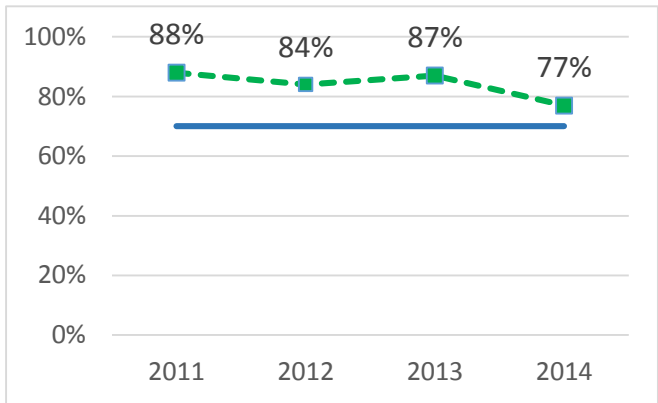

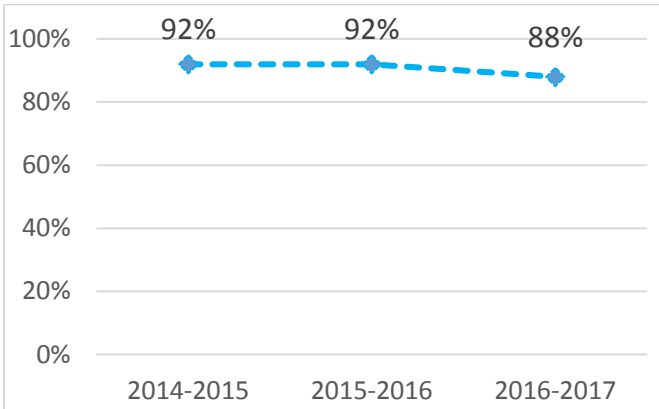

Retention

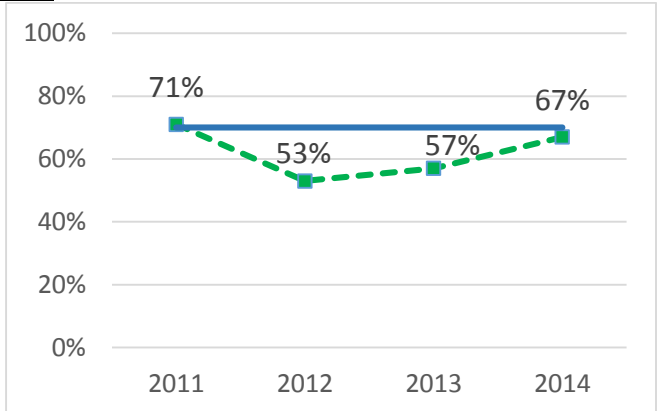

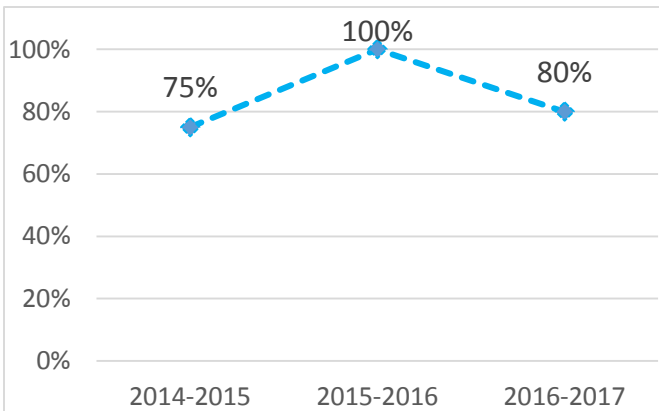

Completion

Pre-licensure BSN

RN-BSN

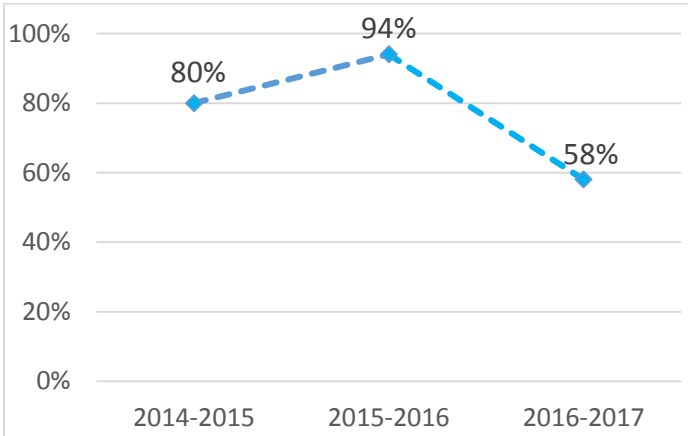

Note. Retention rates calculate percentage of students who started in Summer/Fall/Spring of academic year that are still enrolled in the subsequent Fall semester. Program completion rates are 150% time to graduation for the four most recent calendar years. 150% for pre-licensure BSN: 3 years. 150% for RN-BSN: 3.5 years. Fall 2014 and on: 3 years. Blue solid line indicates CCNE requirement of 70% completion rate.

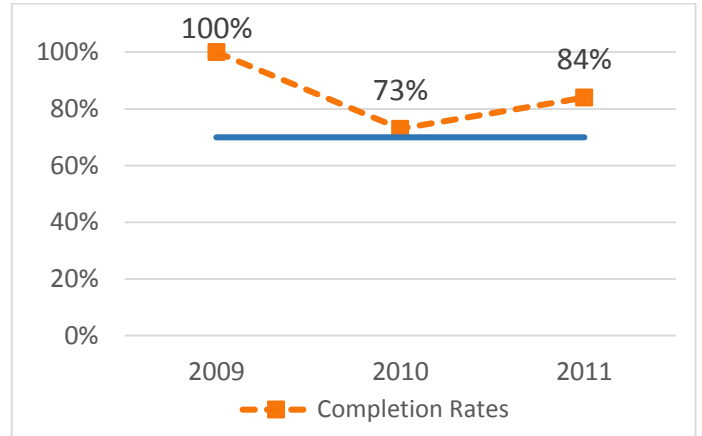

Program Retention & Completion Rates (continued)

MSN

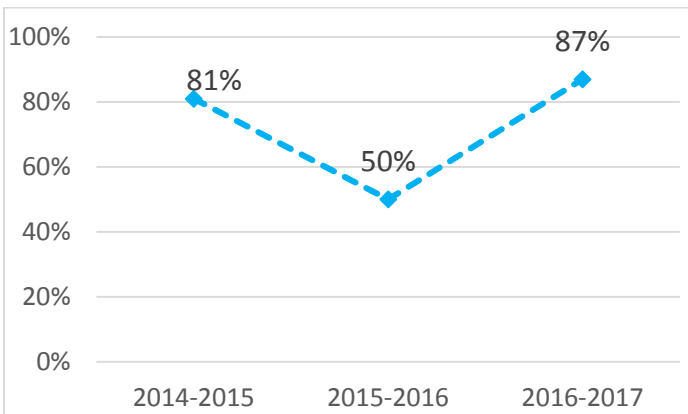

Retention

Completion

DNP

Notes. Retention rates calculate percentage of students who started in Summer/Fall/Spring of academic year that are still enrolled in the subsequent Fall semester. Program completion rates are 150% time to graduation for the three most recent calendar years. MSN program length is 4 years; 150% time to graduation is 6 years. DNP program started in 2014, so completion rates will not be reported until 2020. Blue solid line indicates CCNE requirement of 70% completion rate.
