

Return of Tuition Assistance (TA) Policy

SACN will comply with the requirements for the return of TA Funds. Up to the start date return all (100%) TA funds to the appropriate Military Service when the Service member does not: Begin attendance at SACN or start a course, regardless of whether the student starts other courses, return any TA funds paid for a course that is cancelled by SACN. SACN will return any unearned TA funds on a proportional basis through at least 60% of the period for which the funds were provided. TA funds are earned proportionally during an enrollment period, with unearned funds returned based upon when a student stops attending. When a Service member stops attending due to a military service obligation, SACN will work with the affected Service member to identify solutions that will not result in a student debt for the returned portion.
